

2015 Cow Country Classic Trial Report

It was a great weekend of stock trials. There were so many entries that we added John Knepper as an overflow judge and ran 120 runs each day. The weather was a bit hot on Friday but there was a nice breeze that made the above normal temperature bearable. It rained most of Saturday and that cooled things off nicely. The cows and ducks really appreciated the weather change. Sunday the weather was perfect and it was a great way to end the trial. Pam and Gaye fed us well and Amy and Molly, Connie, Pam, Madison, Korla, and Renee' made sure that the stock was set calmly and was always ready for the next competitor. The competitors all helped to make the trial run efficiently and there was a spirit of friendly competition that made the event interesting and fun. The judges, Steve Shope, Jim Hartnagle, and John Knepper were all friendly and helpful which added to the camaraderie of the weekend. Several dogs earned titles including Irene's Chica who finally got that last cattle leg for her WTCH.
