

2016 Cow Country Classic Trial Report

It was a great weekend of stock trials. There were not so many entries this year but we had a decent crowd with many great contenders. We lucked out on the weather as it was forecast to rain, but the rain held off during the trial and the overcast cool weather made it most comfortable to trial. The stock certainly appreciated the cooler than normal weather as well. Pam and Gaye fed us well and Amy and Molly, Pam, Madison, Renee' and Andrew made sure that the stock was set calmly and was always ready for the next competitor. The competitors all helped to make the trial run efficiently and there was a spirit of friendly competition that made the event interesting and fun. The judges, Brad Warren and Becky Beckmann were friendly and helpful which added to the camaraderie of the weekend. Several started dogs earned titles and they all ran well.
