

## 2016 Frenchtown Finale Trial Results—High Awards

The Frenchtown Finale was held October 21-23, 2016 and on Friday ASC of Montana held its second round of Farm Trials which was well attended. We had two trials of cattle and sheep and there were many titles earned, and it seemed everyone enjoyed running the courses with their dogs. We had great weather (for October), great stock, and great competitors with some really fine dogs. There was a bit of mud to deal with, but everyone persevered. A good time was had by all and when the shouting was over the following dog/handler teams went home with honors.
